RECORD CROP EXPECTED
AT BYRD ORCHARDS

Winchester, Va.- A record size apple crop is expected this fall from the H. F. Byrd orchards.

The Byrd orchards, largest in the world, will probably yield close to two million bushels this year, according to R. F. P...

Two factors are responsible for the increase this year:

1. The maturity of trees coming into bearing season.
2. An average ample rainfall during the growing season. Temperatures were favorable during the month of August. Although there was a short period of dry weather during the month, the fruit has since developed almost perfectly. Shaping well, with medium size, and free from disease or insect injury. Most of Byrd's fruit is tray-packed in ...

About The Home

By Frances Dell

All of the popular lettuces for those wonderful green salads, said to be the top favorite in America, are available. Included are Boston, romaine, chicory, escarole, watercress, iceberg lettuce and Belgian endive.

Except for Belgian endive, the prices are interestingly low. Romaine is down to about 19 cents a head. Dark green watercress, which goes so well in texture, color, and taste with endive, is available for about 23 cents a bunch.

The other greens for the salad bowl are somewhat cheaper than the above prices. Parsley is an ever-present bargain at about 6 cents a bunch. Parsley is one of the highest sources of iron and vitamin C we know of.

Couple salad greens with fresh ripe tomatoes and a dash of onions or scallions and green pepper and you have a treat that is hard to beat in taste and in healthful goodness.

The dressing user for any salad is most important. There are any number of fine dressings you can buy ready-made in your market. However, we like to make our own dressing. It takes a bit of experimenting to concoct a dressing to your family's taste, but once you have it you are in for real eating pleasure.

We like to use wine vinegar and olive oil as a base. From here you can add anything you desire — cheese, crisp bacon, olives, crotons —the list itself could make a column.

Born foreign aid program is nearing completion.
